

Hello everyone. We had a nice meeting last night at the Alumni Restaurant. I enjoyed it and would like to hear your thoughts on the venue.

I thought the room was good, the food was good, the service was good and the drinks were expensive.

More importantly the Exceptional Children's Christmas Party is being held next Sunday the 13th at the Franklin High School cafeteria. The event will run from 2:00pm - 4:00pm. We will need as much help as possible. This is a new venue for us and obviously we don't have our kitchen and equipment as we had before. Please come by to help and be there at 1:30pm.

The best way to get to the cafeteria is to come up Panther Way into the highschool parking lot. Panther Way is where CVS is on Rt. 140. Go past the police station and skating rink and a little over to the right is the door for the cafeteria.

I hope to see you then and again at the next social meeting at the Alumni. This meeting will represent our Christmas get together.

Have a great couple of weeks.
